Hi Linda,  
Hevis Lleshi (female) is a chemist in the Drug lab paid by the Coverdell grant 100%.

We use Campus Ship and Millers Express for emergency courier service from the hospitals.

Hi Julie:

Is Hevis Leshi on the Coverdell grant? I have to sign some paper saying that she/he is.

Also, do any of your labs use UPS Campus Ship, or send stuff by USA Couriers?  
Thanks,
